"She the North!"

This week we celebrated the wonderful victory of Canadian Teen - Bianca Andreescu in the US Open. A proud moment for Torontonians and indeed, all Canadians!

Students reflected on Bianca's maturity, humility and respect under pressure - markers of a true champion. CWSA students were reminded that how you win is just as important as winning. I asked each of them to always treat others with respect while aiming high.

That Bianca unseated - Serena Williams such an accomplished athlete - at 19 years old is incredible! As Bianca continues to make her debut on the world stage, we will learn more about what motivates her love of tennis. One thing, however, is clear. Bianca has been working hard. She has worked on her skills in the game but also on skills of the mind including her behaviour and attitude.

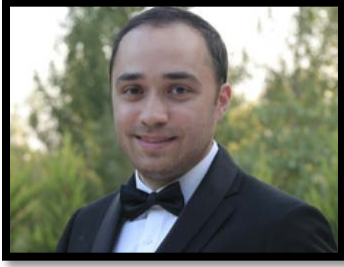

Over the week we also explored Serena's humble beginnings - she was not born to wealth, grew up in a tough neighbourhood, and yet she would excel in spite of her challenges. Serena's example demonstrates that an enabling mindset, with hard work can be far more powerful than environmental contexts in our journey to succeed. Whatever challenges we face can be overcome with the right supports.

We reflected on the commonalities shared by the women. Both champions using their voices to advance women in sport. In an interview on The National, Bianca Andreescu, clad in a T-shirt bearing the word Equality, told the interviewer that she would like to continue the fight for pay equity for female athletes who currently earn substantially less than their male counterparts. It was Serena Williams who years earlier also drew attention to the differential pay for women in sport when she became the first woman to make the Forbes 100 list of top paid athletes. Bianca and Serena are two great women who have, and are making their mark in sport and raising their voices strongly through word and deed for not only women in sport, but all women.

Thursday we recognized our privileges and benefits. We are in a school of tremendous resources in a prosperous city and country. In our reflections, I asked students to be thankful for their good fortune but to guard against becoming complacent. Just like Bianca Andreescu and Serena Williams, we can all be agents of change - breaking barriers and using our voices and deeds to challenge injustices. We can all support social justice issues we notice locally and globally. We can all use our voices to advocate for issues we see as inequitable or raise our voices in support of others. We can open doors for others around us and make our society more accessible for all. Throughout the week perhaps your child began to voice their reflections on current issues and events that have now come to their attention. Perhaps they even began questioning what might be done.

This week marked the first televised National Leaders Debate. These debates provide a quick introduction to many of the issues facing our country and are a wonderful learning opportunity to hear interpretations of the issues facing our country. As we anticipate the coming election, their continues to be rich opportunities for learning beyond the classroom.

Have a great day weekend. As always, we are thankful for our tremendous and hardworking staff at CWSA! Our students are indeed fortunate. Ms. Jones

Introducing Mr. H...

I am very excited to be joining Claude Watson School for the Arts. As a teacher my passion stems from my specialized background in Drama, Science and Math. With a Masters degree in Education from York University I have taught in Canada, United Kingdom, Middle East and China. It may be hard to believe but my latest accomplishment was the integration of advance math with Latin dance forms through the University of Toronto, (MathEd Forum). I believe what sets me

apart from other teachers is the way in which I implement differentiated learning and creativity to assist all students in the learning process. In my spare time I teach Latin dance – over the years I have taught Salsa Dancing at both York University and the University of Toronto. I look forward to teaching Grade 8 Core and Grade 7 & 8 Drama at Claude Watson School for the Arts.

Peer to Peer Homework Club

Ms. Fernandes is in the process of organizing peer to peer homework club for our younger grades. The grade 7's and 8's will be offering homework help for the grade 4's, 5's and 6's during a few lunch times and a number of after school days. Towards the end of this month, a schedule will be communicated to all parents and all students that will commence Sept. 30th.

Terry Fox Run

We are so excited to see donations coming in for the Terry Fox run. Thank you to those who have brought in pledge forms already. We will continue to accept donations until early October. While we will accept all forms of donations, (online donations, cash, or cheques made out to **The Terry Fox Foundation**) we would like to ask that families who choose to use the pledge form rather than the online fundraising site, use the cheque option rather than cash wherever possible.

We are also hoping to start Toonie Tuesday draws and are looking for prize donations. If you have something that you would like to donate as a prize for the draws, please email megan.schroeder@tdsb.on.ca to make arrangements.

Boomerang Lunch

Lunch Containers – Please consider purchasing reusable plastic lunch containers as opposed to glass jars. We had a glass jar break this week and glass shards pose a safety risk for students.

To assist in creating a safer and cleaner environment we are implementing a new waste management system – **Boomerang Lunch**. What does this mean? As a CWSA community we are asking students and families to pack a litterless lunch to school and to **bring back** unfinished food (wrappers, leftovers, juice box containers etc.). At home you and you child(ren) can sort – recycle and compost the waste. This gives parents a true window into what their children are consuming at school and also provides a structured learning opportunity at home. We ask you support John and Monica our Lunch Supervisors , as we try a new way to manage waste and create a cleaner environment for our students with health and environmental sensitivities.

Grade 7 & 8 Off-Campus Lunch

Please remind your children of road safety rules, especially when walking across major roads like Yonge Street. Students behavior both positive and negative directly reflects upon the reputation of CWSA, please reinforce the expectations when using community facilities such as restaurants, parks. **Off-campus lunch privileges – not a right.**

School Cash Online

School cash online has opened up slowly. You should have received notices for Pizza Sales and Activities Fees. We hope to have all items up and running by the mid-week.

Photo Day

Monday September 16, 2019 Edge imaging will be at CWSA for photo day!

Grade 8 Stratford Trip

Stratford Trip forms and information went home last week.

Grade 7 Mono-Cliffs Trip

On Tuesday, October 15 – Friday, October 18, 2019 **Classes 7.1 & 7.2** will embark on a leadership outdoor education trip to Mono Cliffs. Parent information session will be held on **Curriculum Night – September 19 in Rm. 308**. If you have questions teacher will address them then.

Accident Insurance was sent home in September. It is advisable that all students be insured as accidents happen. Please note all parents need to send students with the actual OHIP Card. More information to come.

Uniform Order & Pick-up

We hope that you all were able to fill your uniform orders in June. If not, please give us time to get organized. In September our School Council will hold their annual gently used uniform sale. Keeping textiles out of landfills is important to the environment. Consider purchasing a gently used uniform in addition to your regular uniform purchases.

Agendas

We have just been informed that due to a significant production issue with our vendor, Premier Agendas, there will be a delay in the delivery of our school's student planners. This production issue has impacted the delivery of planners across the TDSB and across the province. While we can't confirm exactly when our school will receive our shipment of planners, we have been told by Premier Agendas that all schools will receive their planners by the end of September.

As we await our shipment of planners, attached are electronic versions of the [TDSB common pages](#). The TDSB common pages contain information about the Board's homework policy, severe weather guidelines, code of online conduct, and more. Please let the office know if you have any questions.

Thank you for your understanding as we work through this issue.

School Recycling and Environment Days

CWSA will no longer be asking student to bring recycling materials from home to school. We ask that families continue to recycle through their local neighborhood and [Environment Days](#).

Entry

Please note entry time as follows:

- 8:30 am supervision bell** - denotes teacher supervision of the yard/bleaches begins
- 8:40 am entry bell** – doors open and students enter the building
- 3:30 pm dismissal bell** – student leave the building under teacher supervision
- 3:45 pm supervision bell** – denotes teacher supervision of the yard/bleachers ends

Note: Students will be considered late if they are not in their 1st period class by 8:45am. All late students must report to the office to get an admit slip.

Who Teaches My Child?

For your reference we have created a chart to help you remember who teaches your child both academic and arts programming at CWSA. That information can be found in the file:

[Who Teaches My Child?](#)

Lunch Schedule

Please keep a copy of our [School Lunch Schedule](#). This should assist you when managing your child's schedule.

School Council News

School Advisory Council (SAC)

While the staff and the students themselves are at the centre of the school experience, as parents, you play a vital role in your child's success. One way you can actively contribute is by joining the **School Advisory Council**. There will be 6 or 7 meetings held throughout the year, where you will have the opportunity to connect with Principal Jones and additional staff, and other parents. You will stay informed of school-related activities and be able to discuss issues. You will also be part of some important decisions, such as how certain funds are spent. It is an opportunity to both be a support to the school, and also represent the parent voice at the school.

If you are interested, please attend the Annual General Meeting, which will be held on **September 23 at 7 pm**.

Pizza Lunch

Please order now through school cash online.

Welcome Back BBQ

Our annual fall BBQ will be on **Thursday September 26, 2019**. Thank you to all the parents and staff for their work getting prepared for the event. We are in need of volunteers to help out at the event. If you are interested in volunteering please go to:

<https://www.signupgenius.com/go/5080B45A9AB2BA3F58-cwsa>

and select the slot for the specific activity you can help us during the event.

As always, council members are happy to respond to your questions and concerns to the extent that we are able, and can be reached at claudewatsonsac@gmail.com.

Welcome Back BBQ Menu:

- \$10 for beef burger combo
- \$10 veggie burger combo
- \$9 hot dog combo
- All combos come with corn and drink
- Corn can also be bought separately
