

Our newly established School Council is up and running!

Thank you Superintendent Louie Papathanasakis for your valuable input and support.

Thank you to principal Jones for organizing and promoting the meetings. Big THANK YOU you to previous co-chairs John Choi and Jay Kang, treasurer Pavel Gouchtchine, as well as teachers and parents who contributed to last year's work. You know who you are!

Your effort and commitment to our school is the foundation upon which we will build our future work.

Our school's School Statement of Needs (SSON) is due for submission!

SSON is a mandatory document submitted annually to our Superintendent. It outlines what is unique about our school community and our students needs. It is used by the Superintendent when there is a change of administrator in the school. Attached is the last year's SSON for your review.

Please let us know about specifics you would like to see included.
