RAPTORS BASKETBALL GAME

On March 26th, a group of Grade 7 and 8 students from Claude Watson went to watch the Raptors game. The Toronto Raptors won against the Chicago Bulls, 112-103. Go Raptors! The students had so much fun and an amazing experience. Thank you to all the teachers and staff who made this possible!

THAT WAS MARCH: ELAINE L (8-1)

On March 7th, a company of Mongolian dancers visited Claude Watson and performed several traditional dances for the students; a wolf dance, a bowl dance, a welcome dance and more! It was an interactive performance, and students from each grade were invited to join the dancers on stage for a brief lesson about the traditional dance moves. It was an amazing opportunity to learn about the Mongolian culture, as well as have some fun learning how to dance! We were truly honored to be amongst some of the first Canadian schools to be able to see this group's amazing performances. A very big thank you to Ms. Schroeder for organizing this event.

Grade 7s test their form and function structures made out of cardboard rolls, newspaper, and two rolls of masking tape. The structures had to be 75cm or higher and it had to withstand the weight of a minimum of 10kg.

EXTRA-CURRICULAR SHOWCASE

On Friday, March 8th, Claude Watson had its annual Extra-Curricular Showcase. Many groups performed including Concert Winds, Chamber Strings, Chorale, and many others. It was a fantastic performance and experience for the students and staff. Thank you to the staff and especially Mr. Brown, Ms. Song and Mr. Best for making the performance possible and organizing all of the extra-curricular activities at Claude Watson!

CRAZY HAT AND HAIR DAY

Crazy Hat and Hair Day was on Friday, March 29. Seeing all the participation from our students was amazing; we got to see some really wacky hair and hats. Keep up the school spirit Claude Watson!
