March is Greek Heritage Month at the Toronto District School Board. It is an opportunity to recognize and celebrate the many achievements and contributions of Greek Canadians to Canada, and an occasion to mark and enjoy the history of Greek culture.

The theme for this year is:

**1821-2021**

**Freedom and Unity – Ελευθερία και Ενότητα**

**Learning From Our Roots...Shaping Our Future**

## Increase Tamil Cultural Competency

The Tamil Heritage Month (THM) planning committee members are extending an invitation to all educators to attend an Educator Forum: To increase Tamil Cultural Competency. This event has been organized in association with presenters from the York Region District School Board and Durham District School Board.

In this forum, a multidimensional approach will be taken to understand Tamil students' and their families' lived experiences and histories. The THM committee members will be facilitating critical discussions and dialogue surrounding issues within our community as we believe in the strength and transformative power of oral dialogue. This will aid in the creation of inclusive spaces and practices for Tamil students and families.
